

LanCan Care Residential Services: Program Overview

Empowering the Transition to Independence

LanCan Care is a premier residential facility in Southeast Texas dedicated to supporting young adults as they navigate the critical transition from foster care to self-sufficiency. Our mission is to provide more than just a roof; we provide a foundation.

Core Program Pillars

1. Secure & Supportive Housing

- **24/7 Professional Supervision:** A safe, structured environment with around-the-clock staff support.
- **Modern Living Quarters:** Comfortable, fully furnished residences that foster a sense of dignity and ownership.
- **Stability First:** A consistent "home base" that allows residents to focus on their long-term goals without the stress of housing insecurity.

2. Life Skills & "Adulting" 101

- **Financial Mastery:** Hands-on training in budgeting, saving, and understanding credit.
- **Culinary & Nutrition:** Guided instruction on grocery shopping, meal prep, and maintaining a healthy lifestyle.
- **Household Management:** Learning the essentials of home maintenance and personal organization.

3. Education & Career Pathways

- **Academic Support:** Guidance for GED completion, college applications (FAFSA/ETV), and vocational enrollment at local institutions like **Lamar University** and **LIT**.
- **Workforce Readiness:** Professional development including resume building, interview techniques, and job placement assistance.
- **Strategic Partnerships:** Connections with local Beaumont employers and the Texas Workforce Commission.

4. Holistic Transition Planning

- **Personalized Case Management:** Every resident works with a dedicated lead to create a custom "Success Roadmap."
 - **Wellness Navigation:** Assistance in managing healthcare, mental health resources, and maintaining Star Health benefits.
 - **Document Recovery:** Help securing vital records (Social Security cards, Birth Certificates, and State IDs).
-

Why Partner with LanCan Care?

We operate with a **Person-Centered** approach, ensuring that every young adult is treated as an individual with unique strengths. Our facility is designed to meet all **Texas DFPS standards** for Supervised Independent Living (SIL), providing state agencies with a reliable, compliant, and compassionate placement option.
